**▲ ▲** *It is always challenging to judge a range of styles and media as presented for the Guild's 42nd Annual Juried Exhibition.*

*Ultimately, I used the baseline tools that assist me in curating shows of our gallery and guest artists. I look for a few attributes: 1) a unique voice, meaning I can easily identify an artists' work instantly; 2) clarity and consistency of vision; and 3) mastery of materials.*

*I am honored to jury this show for the Ridgefield Guild of Artists.* **▲ ▲**
